

APIS

We call upon our background
in the public and private sectors
to meet the challenges that can
arise with large-scale ventures.

Apis is a veteran and women owned small business.
Our expertise enables us to apply our skills and
management experience towards the successful
completion of multi-million dollar projects varying
in nature, size, and scope.

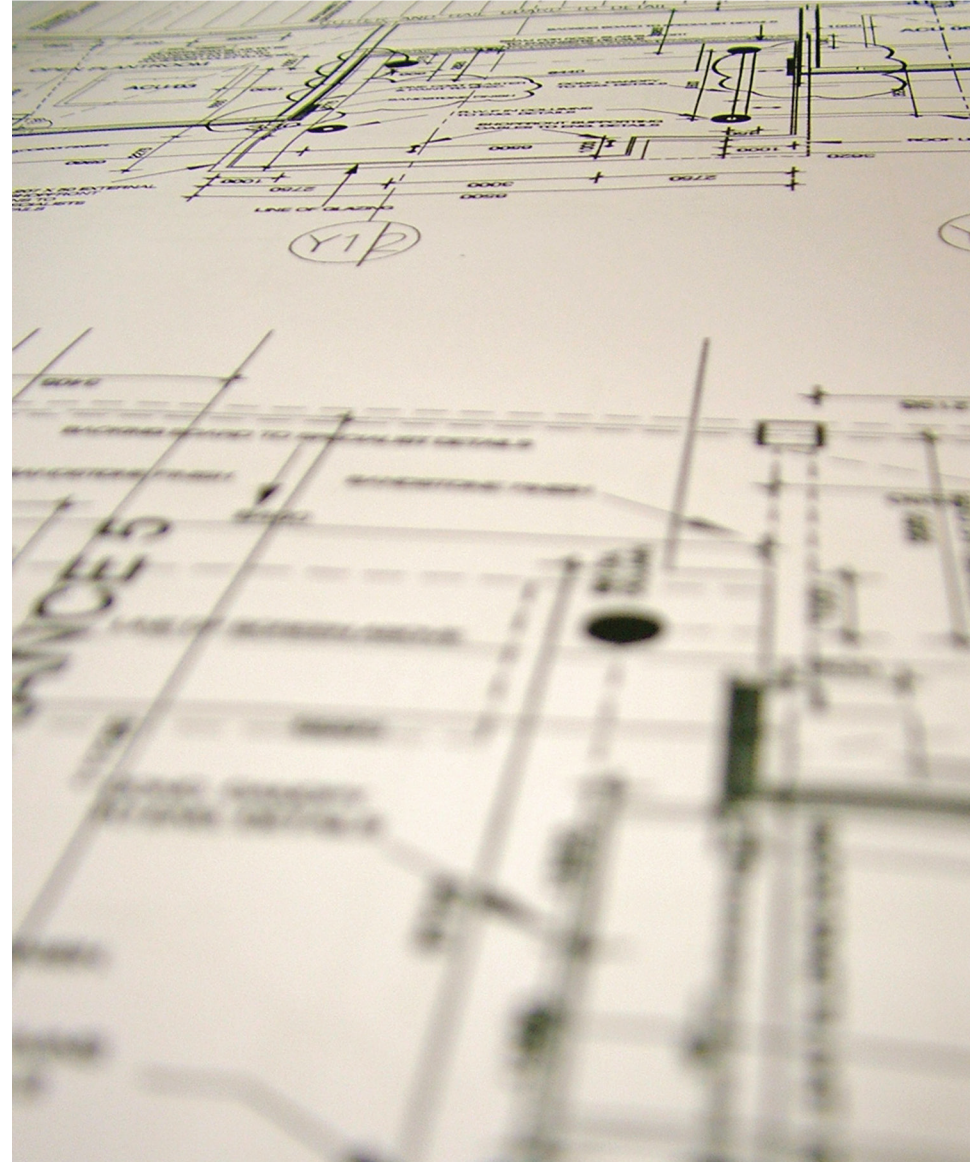

We are the catalyst for
successful development and
the hub that drives projects
forward to completion. We
have experience managing all
aspects of complex projects.

"Turkia's background and experience in economic development provides her with great knowledge in managing significant projects which she has done with efficiency and passion."

— CHRIS ILITCH, CEO & PRESIDENT ILITCH HOLDINGS, INC.

"The accessibility of Turkia and her team is amazing ... makes a difference." — KATHLEEN MCINTYRE, GOVERNMENT RELATIONS FORD MOTOR CO.

"It has been such a wonderful pleasure working with Turkia and her team because they make things happen. If they believe in the idea, they cut through the red tape and make it happen."

— DR. DAVID HUMES, UNIVERSITY OF MICHIGAN STEM CELL THERAPY NEPHROLOGY

"If you go to Turkia with a request, you had better be ready to take action because they move fast. I was totally impressed the first time I met Turkia and her team ... I had agenda items for the next month." — DEAN MASSAB, ROUSH

"Turkia is a tireless worker with great energy and enthusiasm. She effectively brought together leaders from a wide range of backgrounds together for a session to attract new business investment to the area. It was notable because she invited labor to the table as an equal and valued partner."

— BOB KING, FORMER PRESIDENT INTERNATIONAL UNION UAW

We look forward to forming strategic partnerships by listening to our clients' needs and objectives, proper planning, and collaborating with stakeholders to bring a project to an effective and successful conclusion.
